

# SGP ISB / Indigo Contractor EHS Training

## Introduction

This training is committed to ensuring that all employees and sub-contractors of contractors are well-informed of ISB SGP/ Indigo Environmental, Health & Safety rules and regulations. ISB SGP/ Indigo believes in working with contractors in this induction training to advance their EHS knowledge, so they may conduct operations in an environmentally responsible manner and adopt sound health and safety practices that provide an injury-free working environment for contractor workers.

**The training is valid for a period of 3 years. Qualified trainers and trained workers have to attend a refresher training course after the expiry of EHS Training.**

## Training Outline

- HP EHS Policy
- SGP ISB / Indigo EHS Objectives & Targets
- General EHS Requirements
- Personal Protective Equipment
- House-keeping
- Safe Work Procedures
- Work-at-height
- Hot Work
- Electrical Safety
- Control of Utilities, Processes and Protection Systems
- Emergency Response Procedures
- Fab Specific EHS requirements
- Written examination
- Clean Room Protocol

## Who Should Attend

All employees of contractors, including sub-contractors, must undergo an employee EHS training prior to the commencement of projects, services or activities associated and/or related to ISB SGP/ Indigo in the following premises:

- 1150 Depot Road (D1)
- 138 Depot Road (D2)
- Alexandra Technopark Block A (ATPA)
- Tuas Indigo

## Training Methodology

The workshop will be a combination of formal presentation of course materials, small group discussions, case studies, experiential interaction and various other hands-on activities. The activities are designed to result in heightened knowledge and application of skills of effective risk assessment

**There will be a 30 minutes examination for all contractors and sub-contractors after attending the training program.**
